SO STRONG,
LASTS VERY
VERY LONG

The kitchen is the heart of a home. Similarly, at the heart of any functional kitchen is strong, sturdy and durable cookware. Nirlep by Bajaj Electricals is a brand that never ceases to amaze. Known as one of the earliest players in the Indian market for non-stick cookware, Nirlep is constantly aware and evolves to the future needs of culinary creators. What makes Nirlep cookware stand apart is its vast range of durable cookware to suit different cooking styles.

Nirlep prides itself as a long-lasting kitchen partner offering PFOA free, metal spoon safe and scratch-resistant non-stick and hard anodised cookware. Choose from Selec+, Ebony, Sakhi, Professional and Snackmacker series to spark your creativity. So, transform your kitchen with sleek and stylish cookware that's beyond compare.

NIRLEP SELEC+

Tastefully designed to stand out in any kitchen, the Nirlep Selec+ range is India's unique coloured 2-way non-stick cookware. This premium range comes with a 3 layer spray coating that makes it highly superior for everyday cooking and cleaning. Along with this, the heavy-duty anti-slip crest handle ensures strength and durability. So, add a dash of colour to your kitchen with Selec+ non-stick cookware and create healthy and tasty meals.

NIRLEP EBONY

Made for everyday cooking, the Nirlep Ebony cookware range is a perfect blend of beauty and strength. This heavy-duty range is made from a hard anodised strong aluminium alloy which makes the surface tougher than stainless steel, and provides an even and fast distribution of heat. Its stainless steel wire handle and glossy exterior ensure longevity and durability. Moreover, this series does not get warped. So, bring home the Ebony cookware range for better value and performance.
